Swami's Quote on Devotional Singing

Realize that there is nothing greater than bhajan. What bliss is there in bhajans! What a demonstration of oneness is it when a myriad throats join in uttering the name of God! The vibrations emanating from them make the heart vibrant.

If you sing alone in your shrine, the vibrations return to you as a reaction. But in community singing, what you have is not a reaction but a wave of vibrations. They enter into the atmosphere and purify the polluted air.

The atmosphere today is polluted by bad thoughts and feelings. When you sing the glory of God, the bad germs in the air are destroyed and the air gets purified by a treatment of anti-biotics, as it were. (SS, Jan. 1995, 26)
